Independent Software Vendors (ISVs)

The following is a list of ISVs that have authorized at least one channel partner to resell their products on AWS Marketplace through Channel Partner Private Offers (CPPO). ISVs that are new to the list since the prior list published on 2/15/2024 are indicated below.

Don't see your ISV on this list? Reach out to the ISV directly to have an authorization issued, the ISV can authorize you to resell through the Self-Service Authorization tool. For more information on a product, search for the ISV in AWS Marketplace.

Some Partners provide professional services related to the software they resell. You can discover software related professional service listings by searching for specific Partners on AWS Marketplace or browse all professional services listings by [clicking here](#).
